

LEGEND

- Project site boundary
- Mine lease boundary
- Fence
- Coal transport route
- Dam
- Water course
- Power line
- Area disturbed by infrastructure (prior to this MOP)
- Area disturbed by mining (this MOP)
- Area disturbed by overburden emplacement (this MOP)
- Soil stockpiling areas
- 25 cm topsoil stripping depth
- 60 cm topsoil stripping depth
- Vegetation stacking area

LEGEND

- Project site boundary
- Mine lease boundary
- Coal transport route
- Area disturbed by infrastructure (prior to this MOP)
- Area disturbed by mining (this MOP)
- Area disturbed by overburden emplacement (this MOP)
- Soil Sampling Site
- Soil Type 1 - Brown Chromosols
- Soil Type 2 - Black Vertosols
- Soil Type 3 - Brown Dermosols
