

## **ENVIRONMENT POLICY**

Werris Creek Coal Pty Limited (“WCC”) is committed to responsible environmental Management and to be a leader in pursuing acceptable and sound environmental practices within the community.

### **We are serious about environmental awareness**

The Werris Creek Mine will operate in accordance with the conditions set by environmental legislation and licence conditions and actively pursuer improved performance by taking into account community sentiment and staying abreast of environmental best practice performance. This commitment extends to all areas of WCC’s operations, whether performed directly by WCC or its contractors.

WCC management will provide employees and contractors with details of legislative and licence requirements that apply to their work and provide the necessary training and resources to carry out their responsibilities.

### **We believe that environmental damage is preventable**

WCC requires all employees and contractors to operate in an environmentally responsible manner and to immediately report breaches of environmental practice to management.

It is the responsibility of every employee, whether permanent or casual, and contractor to take all necessary steps to contain and remedy an incident that breaches environmental legislation, licence requirements or good practice with the utmost urgency.

### **Our business cannot afford Environmental Damage**

WCC demands the active co-operation of management, employees and contractors to ensure the above goals are achieved.
